Mississippi Scholars received Nissan Scholarships-Totaling \$8,000/ \$500 per student

Nissan Executives Clifton Goodloe & Jeffrey Webster

The Canton Public School District salutes its 16 Mississippi Scholars for their outstanding academic achievements. Nissan North America of Canton officials honored these Canton High Seniors' hard work by hosting a luncheon and offering each of them \$500.00 scholarships. The purpose of the Mississippi Scholars Program is to encourage students to take more challenging courses in high school. All national data indicates that students with a more rigorous academic schedule of high school studies are going to be better prepared for college and/or to enter today's competitive job market. The requirements include 40 hours of community service, a 2.5 cumulative GPA, 95-percent attendance, 16 ACT composite score, and NO outside suspensions. A graduating senior will be recognized as a MS Scholar and receive a medallion and a decal on their diploma.

Congratulations Class of 2012
