State Contract # 5-615-22135 | Vendor Number V000087692G

Stretch Your Funds With Office Depot CONTRACT PRICING & TAX EXEMPT!

Office Depot is making it simple to use your state issued procurement card for EEF funds and to purchase more for less. We have opened a separate account for your school district to use your state issued procurement card. Follow the steps below to place your orders online or at Office Depot retail store locations, receiving state contract prices and tax exempt status.

Office Depot Store Purchases:

For in-store purchases, please provide the cashier with a copy of the store purchasing card (found on the back of this flyer) along with your state issued procurement card. This will ensure you receive contract prices and tax exempt status on your purchase. With this card you may check out through any of the registers using your state issued procurement card.

Office Depot Internet Orders:

Use your school's login and password (found on back of this flyer). Be sure to use **your** school's login as it is set with your school's address as the delivery location. The password for all log-ins is Welcome.

Please place your name in the field labeled name so your order is easily identified and can be delivered to you at your school without delay. Ordering online will provide you with a large selection of education and office supplies. Orders placed prior to 2:00 should be delivered the following business day provided items are in stock.
